

# Direct Property Facultative

---

**DPF underwrites** direct, non-proportional facultative reinsurance for U.S. based insurers. We write most classes of on-shore Property, Inland Marine, and Boiler and Machinery. Our underwriters are vested with full authority at the branch level with normal quote turn-around of 24 hours or less. We accept submissions directly or through the eRe internet platform.

## Products and Coverage

- All Risk, generally excluding Earth Movement and Flood
- Individual Risk
- Qualified Program (Automatic)
- Ability to write risks worldwide

## Limits

- \$100,000,000

## Program Parameters

- Coverages are written through Catlin Syndicate at Lloyds (2003).

## Target Market

- Preferably single location, non-catastrophe, attaching excess of attritional or Normal Loss Expectancy.

## Prohibited Classes

- Oil
- Gas
- Petrochemical.
